

**A NEW FORMULA FOR SMOOTH
CHEMICAL LOGISTICS.**

About Avvashya CCI

Avvashya CCI Logistics brings together the experience and expertise of three respected entities: the warehousing and CCFF (Custom Clearance and Freight Forwarding) division of CCI Logistics Ltd., the Contract Logistics division of Allcargo, and Hindustan Cargo Ltd.

With the legacy and lineage of three domain specialists, Avvashya CCI begins a new chapter in world-class solutions for all your logistics needs, all under one roof.

Avvashya CCI forms an ideal team between three entities, offering you world-class end-to-end logistics solutions, guided by seasoned experts and backed by a robust infrastructure that meets the global standards.

Our marquee customers are a testimony to our infrastructure and our ability to tailor solutions to your unique needs.

Solutions for Chemical, Pharmaceuticals and Food

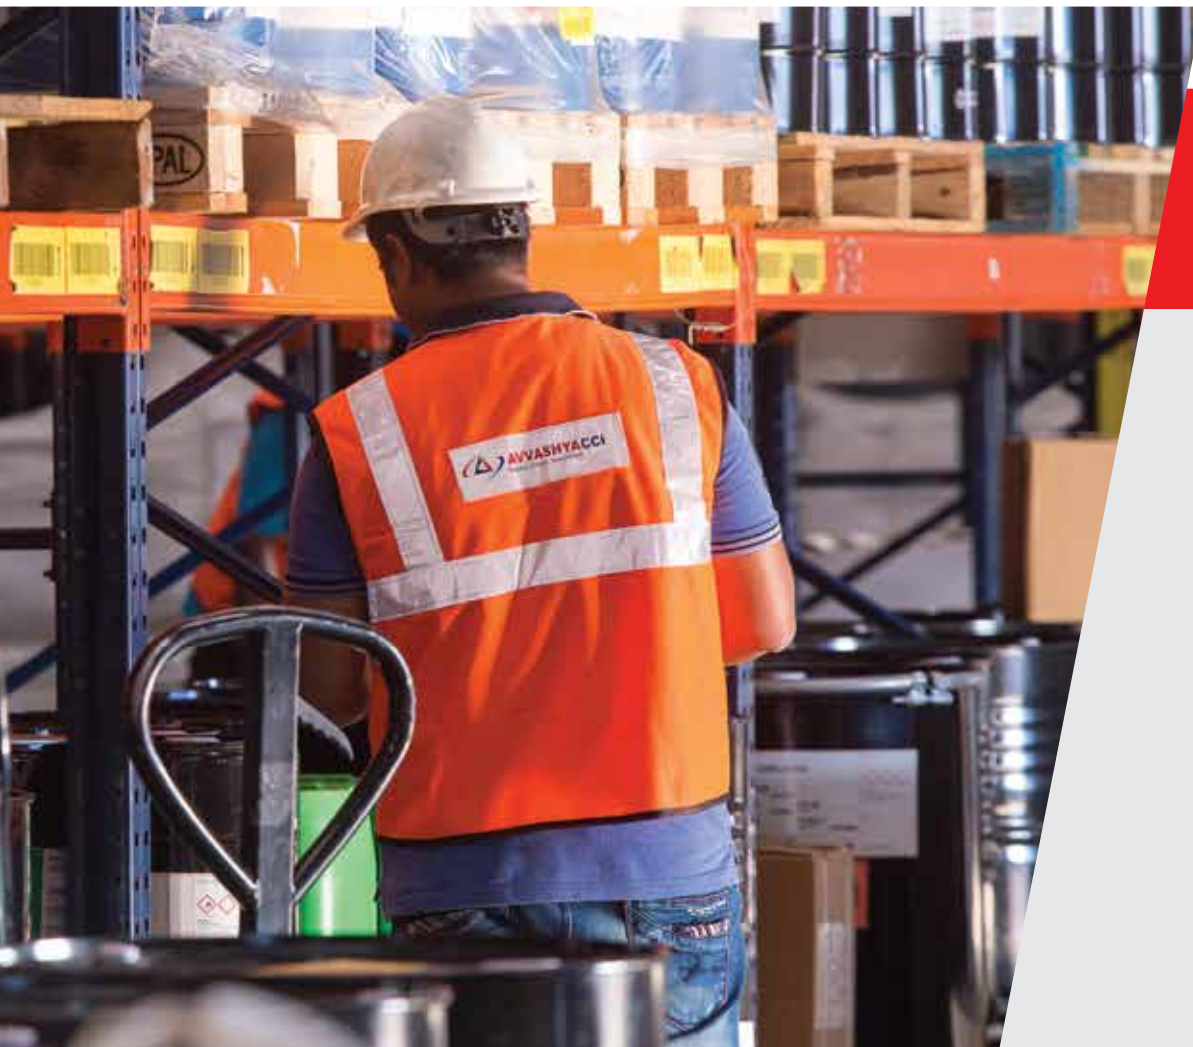

Warehousing and logistics for chemicals is an extremely niche segment, that demands high levels of safety and security. This is where Avvashya CCI has an added advantage over other logistics service providers.

We have world-class logistics solutions for storage, packing, documentation and movement of hazardous chemicals, agro chemicals, packaged food and pharma products including finished goods, vaccines,

medical devices, equipment, consumables and laboratory equipment. With our strong legacy of serving Fortune 500 chemical companies operating in India, you can rely on Avvashya CCI's safe and compliant services.

Our special focus on the Pharmaceutical sector is backed by specialists who administer the sector to develop logistics solutions, making representations to the industry bodies and government authorities.

OUR RECOGNITIONS

Mapping success with ACCI

ACCI assists a leading global chemical manufacturer, managing 5,700 pallet positions at its Logistics Park at Panvel.

Problem

The customer faced several challenges such as space constraints and hurdles in increasing storage capacities, managing mixed batches, high primary and secondary transportation costs, difficulty in arranging vehicles for last-mile deliveries, and difficulties in managing inbound and outbound logistics due to space constraints.

Key results with ACCI's expertise

- Loss due to damages came down drastically.
 - The increased efficiency in throughput helped the client increase sales.
 - ACCI increased capacity from 2,000 pallet positions to 5,700 in the last 3 years.
 - Stock accuracy is at 100% for the last 3 years.
 - As much as 98% of the material is imported and stored at the ACCI warehouse, thus optimizing transportation.
 - ACCI maintains the highest safety standards possible, along with proper segregation of hazardous and non-hazardous material.
- Through innovation in stores management and order processing, ACCI was able to reduce the lead time in delivery of goods to dealers.
